1. GENERAL

- 1.1 These Conditions shall be incorporated into each contract ("the Contract") for the supply of Goods and/or Services by the Supplier. The Contract will be subject to these Conditions alone. All terms and conditions appearing or referred to in an Order or otherwise stipulated by the Buyer shall have no effect.
- 1.2 Any variation of the Contract must be expressly agreed in writing and signed by the Supplier's duly authorised representative.
- 1.3 Any description contained in the Supplier's catalogues, samples, price list or other advertising material is intended merely to present a general picture of the Supplier's Goods or Services and shall not form a representation or be part of the Contract.
- 1.4 Where Goods are to be supplied from stock, such supply is subject to availability of stocks at the date of delivery.

2. SPECIFICATIONS, NON STANDARD ORDERS, ALTERATIONS

- 2.1 If Goods and/or Services are supplied in accordance with the Buyer's specifications (the "Specifications") the Buyer shall be solely responsible for the Specifications and ensuring that they are suitable and accurate.
- 2.2 The Buyer shall be responsible for supplying the Specifications and any necessary information relating to the Goods and/or Services within a sufficient time to enable the Supplier to perform the Contract in accordance with its terms.
- 2.3 The Supplier shall, prior to delivery, be entitled as its direction to substitute for the Goods forming the subject of the Order similar goods from the same or an alternative source, or to make modifications or alterations to the Goods provided that:
 - 2.3.1 in the case of substituted goods, the alternative goods supplied shall be of equivalent or better quality or performance to the substituted Goods;
 - 2.3.2 in the case of modified and altered Goods, such modifications or alterations of the Goods shall not materially affect their quality or performance.

3. PACKAGING

Packaging for the Goods shall be at the discretion of the Supplier which shall have the right to pack the Goods in such manner and with such materials and in such quantities as it in its absolute discretion thinks fit.

4. PRICES

- 4.1 All prices shall be as stated by the Supplier.
- 4.2 All prices stated shall be subject to variation at the sole discretion of the Supplier at any time without prior notice. The Supplier shall use all reasonable endeavours to notify the Buyer of any variation before delivery of the Goods.
- 4.3 Where the price for the Goods or Services is varied in accordance with clause 4.2 the price as varied shall be binding on both parties.
- 4.4 There shall be added to the price for Goods or Services any value added tax and any other tax or duty relating to the manufacture, transportation, export, import, sale or delivery of the Goods or performance of the Services (whether initially charged on or payable by the Supplier or the Buyer).
- 4.5 All prices are given by the Seller on a CIF basis, unless otherwise agreed in writing between the Supplier and the Buyer.
- 4.6 The Supplier shall be entitled to levy, in addition to the price of the Goods or Services, additional charges such as small order charge or fuel surcharge as applicable.

5. TERMS OF PAYMENT

- 5.1 Subject to any special terms agreed in writing between the Supplier and the Buyer, liability for payment shall arise in respect of Goods supplied, on delivery and in respect of Services supplied, upon completion thereof. The Supplier shall be entitled accordingly to invoice the Buyer for the price of the Goods and/or Services on or at any time after delivery or completion respectively, unless, in the case of Goods, these are to be collected by the Buyer or the Buyer wrongfully fails to take delivery of the Goods, in which event the Supplier shall be entitled to invoice the Buyer for the Price at any time after the Supplier has notified the Buyer that the Goods are ready for collection or (as the case may be) the Supplier has tendered delivery of the Goods.
- 5.2 The Buyer shall pay the price of the Goods (less any discount agreed in writing by the Supplier, but without any other deduction or set-off) on or before the 20th day of the month following the date of invoice.
- 5.3 If the Buyer fails to make any payment on the due date then, without prejudice to any other right or remedy available to the Supplier, the Supplier shall be entitled to:
 - 5.3.1 cancel the contract or suspend any further deliveries or performance under the Contract or any other contract so long as the default continues; and/or
 - 5.3.2 charge the Buyer interest (both before and after any judgement) on the amount unpaid at the appropriate rate level per annum above the base rate of the Bank of Scotland from time to time in force calculated on a daily basis until payment in full is made. This clause does not encumber the Supplier's rights under the Late Payment of Commercial Debts (Interest) Act 1998, to charge interest on and recover debts due; and/or
 - 5.3.3 apply this interest to an "interest due" account for that customer. Any unpaid interest would be claimable from the Buyer by the Supplier at its discretion should the Buyer decide to trade with another wholesaler; and/or
 - 5.3.4 withdraw or cancel immediately any discount for prompt payment that has been agreed with or has been granted by the Buyer or to which the Buyer is entitled and debit the Buyer's account accordingly.
- 5.3 Any prompt payment (contingent) discount is granted to the Buyer for payment received within the Supplier's normal credit terms. Where discount is taken by the Buyer outside of these terms then the Supplier may either disallow the discount so that it remains due on the account or apply it to a "disallowed discount" account for that Buyer. Any disallowed discount would be reclaimable by the Supplier at its discretion should the Buyer decide to trade with another wholesaler.

- 6.3 The Buyer shall accept immediate delivery or arrange to collect the Goods or arrange suitable storage, failing which the Supplier may either: -

 - 6.3.3 resell or otherwise dispose of the Goods without prejudice to any other rights the Supplier may have against the Buyer to breach of contract or otherwise.
- 6.4 Where the Contract provides for delivery by instalments each instalment shall constitute a separate contract and any delay, failure or defect in any one or more instalments delivered shall not entitle the Buyer to reject or cancel delivery or performance of any further instalment of the Contract or any other order from the Buyer or to repudiate the Contract.
- 6.5 The quantity of the Goods delivered under the Contract shall be stated on the invoice and checked by the Supplier prior to despatch from the Supplier's premises and the stated quantity on the invoice shall be accepted by the Buyer as conclusive evidence of the quantity delivered.
